VACANCY NOTICE

POSITION : **LECTURER - ELECTRICAL AND ELECTRONIC ENGINEERING (SPECIALISED IN DIGITAL IC DESIGN)**
LOCATION : Kuching, Sarawak (Malaysia)
INDUSTRY : Education
TYPE : Fixed Term Contract
REF : C15072026/FECS/FBDA

JOB SUMMARY

Successful candidates are expected to deliver courses at undergraduate and postgraduate levels while carrying out impactful disciplinary research. In addition, the candidates are expected to lead ad hoc projects at the School or Faculty level and supervise master's and PhD by research students.

Position Purpose

The academic staff will undertake independent teaching and research in his or her discipline or related area. In research and/or scholarship, the academic staff will make an independent contribution which expands knowledge. They will demonstrate expertise and provide leadership and service that includes coordination of activities of other staff, as appropriate to the discipline.

The academic staff will normally:

- contribute to teaching at undergraduate, honours and post graduate level;
- engage in independent scholarship and/or research;
- contribute to professional activities appropriate to his or her profession or discipline; and
- contribute to the innovation ecosystem and contribute expertise to the creation of value from innovation and engagement activities.

He or she will normally undertake administration primarily relating to his or her activities at the institution and may be required to perform the full academic responsibilities of and related administration for the coordination of an award program of the institution.

This level will normally requires a doctoral qualification. In exceptional circumstances equivalent professional experience may be considered.
